

# King Edward VI College

Your sixth form specialist

## OFSTED REPORT SUMMARY 2017

Following our Ofsted inspection in November 2017, the college continues to be **GOOD**.

The Inspectors highlighted:

### GOOD TEACHING AND LEARNING

- Teachers are enthusiastic and knowledgeable about their subjects
- Students work is of a good standard
- Well planned lessons
- Students are well motivated

### GOOD RESULTS

- Pass rates have increased every year since the last inspection
- Students on vocational courses achieve very well
- Overall grades compare well with other sixth form colleges

### STUDENT FOCUSED

- The college strongly values the student voice
- Students are members of the management team
- Students improve their self-confidence and raise their expectations while at college

### LIFE AFTER COLLEGE

- Increasing proportion of students achieving their qualifications
- Most students have positive destinations after leaving college
- Employability Officer can help with work experience
- Most students are engaged with an enrichment programme that helps develop good personal and social skills

We're really proud of our staff and students. As a college, we work very hard to ensure our students have the knowledge, skills and outlook needed to be successful during their time here and are well prepared for the next stage of their career. Our students achieve fantastic results with many progressing to top universities and others gaining places on very competitive higher apprenticeships or full time employment. They achieve this through lots of hard work and with excellent and expert support from all of our staff here. This inspection report is a testament to that work and I'd like to publicly congratulate our students for their achievements and thank our staff for their continued hard work and dedication. I am proud to be associated with this college, which offers so many opportunities for 16-19 year old young people in Nuneaton and the surrounding areas to fulfil their potential in a supportive learning environment.

### ULY LYONS - PRINCIPAL

The college is really pleased to receive the Ofsted judgement. This is our second good inspection report in the last few years and highlights the good standard of education and training in Warwickshire's only sixth-form college. We are pleased the inspectors identified the importance we attach to the student voice. Inspectors were particularly impressed with the quality of teaching and learning throughout the college.

### TIM ROGERS - VICE PRINCIPAL
